

Jason Lindsey is the Director of Case Management at North Oaks Medical Center. He has practiced as a nurse for over 15 years with more than 10 of those years in various leadership roles, including the development and implementation of a dedicated observation unit. For the last 7 years, Jason has served in his current role with oversight of case management, utilization review, observation management, and transitional care services. He is a founding board member and current President of the Louisiana chapter of the American Case Management Association. Jason holds an MSN with a focus on Nursing Administration, will complete his Doctorate in Nursing Practice from the University of Alabama in May 2024, and is certified in Case Management with the American Case Management Association.
